Excellent sofa bed. Easy up and down action, all you have to do is pull the front of the frame and it glides out on rollers, the mattress remains in place. To convert back simply lift and push until it clicks. Great for spare room/spare bed. Or in spacious teen room as sofa for gaming, convert for sleepovers. Retail new around £360. Looking for £200 or reasonable offers. Collection only. Item is able to be dismantled and fits in most reasonable size cars (possibly 2 trips)
