I'm offering a unique device to transfer photos on special mini balls of various sports field events. A potential amount of receivers of this rare gadget is unlimited.

The balls with a photo are wanted by children, adults, schools, nurseries, sports clubs, organizers of leagues, tournaments and events, sports fans, souvenir and gift shops etc...

The photo is sent by e-mail and upgraded by the use of computer and after 2 minutes it is on a ball. Price 2990 pounds – it includes several dozen of balls, instrumentation, digital printer and the other supplies for the beginning of this
