Osmo Wood Wax Finish Transparent, Cognac, 2.5L (62.20 GBP)

Location **East of England, Hertfordshire** https://www.freeadsz.co.uk/x-248996-z

Osmo Wood Wax Finish is semi-transparent. The final ppearance of the finish will therefore be influenced by the natural colour of the wood. Best results are normally achieved with corresponding or slightly darker shades or clear. Light shades should only be used for light new wood. (Trial application recommended). All shades are intermixable. When using several cans with different batch numbers please mix together in one large container to ensure uniform.
