

# LINKSYS WRT1900AC ROUTER (90 GBP)

Location **Northern Ireland, County Durham**  
<https://www.freeadsz.co.uk/x-249155-z>

Jack up your home WiFi performance with the Linksys WRT1900ACS-UK Wireless Router, featuring a proprietary 1.5 GHz dual-core processor and 512 MB of RAM.

Do more on your network

Surf, stream and game all at once - improving on the previous WRT1900AC wireless router, the WRT1900ACS helps make your home WiFi network perform faster and smoother. It's able to handle multiple data streams at once with improved throughput speeds.

Quad antennas for improved speed

Even demanding households will benefit from speeds up to N600 + AC1300 Mbps – the router has four antennas for better signal strength and coverage. Connected devices like your laptop, tablet and smartphone will enjoy achieve an optimal connection, wherever they are in your home.

Beamforming technology focuses wireless signals at each receiving device so they enjoy a stronger, more stable connection.

Coverage for 2.4 GHz and 5 GHz bands is improved so everyone in the house can do their thing without interruption, whether it's downloading or streaming.

Y... 1900ACS-UK Wireless Router with four Gigabit Ethernet ports for large media servers up to 10 times faster than standard cable net.

Send or stream large files at high speeds using the USB 3.0 port, or attach external SATA storage devices to the eSATA port, which you can also use with standard USB 2.0 devices.
