Armchairs (100 GBP)

Location **East of England, Bedfordshire** https://www.freeadsz.co.uk/x-249222-z

FFOOAdSZauk

Two Cottage style Armchairs in good condition. These chairs were re-upholstered in a traditional way using traditional materials e.g. coil springs & modern horsehair type fibre etc. The work was carried out to a high standard, under supervision at College as part of a City & Guild's Upholstery Course. I am only selling them as we don't have room for.
