BMW X5 - Good condition, has had front & rear discs & pads (Brembo/ECB) along with front suspension arms (top&bottom) within the last 5000 miles. Usual service work carried out and new wiper blades etc on last MOT.

Comes with manual, and some service history/receipts.

Any inspection welcome.

Reluctant sale, due to change of jobs.

It is the Sport version with all the usual gadgets and gizmos the X5 has.

Cash on collection... If wishing to test drive, you will need proof of insurance, However I can drive you in the vehicle myself if you are not insured. I have owned this car for over years and it is a joy to drive.
