That is a custom Built bike on New Scott SUB 40 Frame set. There is a lots New and few used components like Shimano XT, SLX, XTR.

All used parts been well cleaned and professionally serviced so they work 100% well good.

A true hybrid / City / Urban bike, for commuting in comfort during the week and then getting out of town at the weekend and also look very attractive.

All parts was fitted by a professional mechanic and everything together work like a dream and is faster and lighter than many new bikes in that price range.

It is could be a Best Christmas Gift for Her or Him ;)

If you like Orange and White then is a perfect bike for you, but if you not a big fun of that colors then you will love them after first ride on that bike :)

Take look on a Photos for more details.
