I'm looking to downsize, so I've decided to sell my IKEA Journalist units. They're very versatile and are designed to be used in the Living room, Bedroom or Home Office. The units included and approximate measurements are as followed (Height/Depth/Width): 5 Shelf storage cupboard (H:205cm/D:39cm/W:55cm) Desk/Storage Unit (H:205cm/D:64-95cm/W:124cm) Corner Unit (H: 205cm/D:77cm/W:77cm) 2x Storage/Display Units (H: 205cm/D:39/W:84cm) All the units are Oak veneer with Silver frames. Overall everything is in good condition, with some normal signs of use. The desk can be pulled out, to further increase working space. I will also include all the display lighting and the Blue and White storage boxes/Magazine files. In addition, I can also include 2 extra silver 'ladder' frames. This will give you the freedom to disconnect the units and place them free standing where you like. Cash on collection preferred from Swindon, Old Town. You're more than welcome to view before committing. They will need to be dismantled upon collection, which I can help with. In the past, I've dismantled the desk/corner unit and transported the rest fully assembled. Ideally a van will be needed for collection, although they should fit in a large car completely disassembled. Thank you for looking. Please see photos for more detail. Any questions, just ask.;
