Phone: 01268 350 475 You will want a reliable firm who will give you the best advice for your particular floor - and do the job efficiently at a fair price. Choose us and we'll help you with whatever we can. We can restore: floorboards, parquet, stairs, deckings and stairs. We're specialists in floor sanding and wooden floor restoration, so provide far more than an add-on service during property restoration. You will get the benefit of our technical expertise and knowledge of the latest staining and finishing products.

High quality materials last longer and provide better value, so you won't need to repeat the process so frequently. With a bewildering variety of stains and sealers on the market - natural and artificial - you will need to make use of our experience. We will advise you on their respective qualities and recommend those which are ideal for your new floor. If you have more questions or ideas you want to discuss, please contact us or visit our website for.
