Hello there, I'm a care assistant available for work in my area or surrounding towns or villages. I have over ten years experience my Nvq 2 in social care and many more certificates. I am currently working for an agency. I'm in my 40s trustworthy and have a great sense of humour. I'm very compassionate about my work. In this line of work you come across family's or friends who need a little help with their loved ones or maybe respite. I'm available for overnight stays or weekends and other varied times. Maybe you just need a coffee! I include light housework, personal care ect.....message me for any further questions you may have. Look forward to hearing from you.
