Trident are a leading Microsoft Gold Partner, based in Brighton, servicing the South East for the past 25 years. Working with 300+ active clients we have proven to be a partner of trust, through the quality of advice both technically and commercially, built on our years of experience and expertise and the high levels of customer service, delivered by our people, backed by our superior resources. The most common piece of feedback we hear from new business that have migrated to Trident, is how re-active the previous provider was and not so much pro-active especially around how new technology could be a business enabler and subsequently simplify IT infrastructure, with a general outcome of driving down cost and
