

Better Composition Photography Masterclass

Location

West Midlands, Warwickshire

<https://www.freeadsz.co.uk/x-250199-z>

This photography masterclass is all about recognising the opportunities to make rather than take photographs. Better and more creative composition is a skill that all photographer's need to develop. Learning to see is a vital part of your development as a photographer, regardless of whether you are a complete beginner or experienced shooter. Alan Ranger Photography will take you through the fundamentals of identifying good photo opportunities and show you how to design your shot. You will learn about the 3 vital elements to any good composition and how to recognise the visual design dimensions to compelling image making. 3 principles of photo composition Recognising the visual clues Designing the shot

This class is suitable for any level of photographer from complete beginners to experienced as we work through a range of photo's you will improve your eye whatever level you are at.

If you can't make this particular class, why not take a look at the website to see future dates for this and other workshops, field trips and courses later this year and into next. Be kept informed via the regular newsletter or on Facebook. <http://www.alanranger.com/photography/>
