I am a CELTA-qualified teacher of English with four years experience. As a teacher, I like to focus on the practical language we use in everyday situations. However, I also have experience teaching academic English and have helped many students through their exams, including CPE, CAE, FCE and IELTS. But I can also offer something more. Speaking a language is more than the words and phrases you use. It is about the life you give them. You can give a language life when you believe in your language talents. In a lesson with me, we can explore simple ways to help you build this confidence. We can do this through: Voice work (speaking clearly) Breath work (staying calm) Body work (standing tall) Learning easy methods for effective learning Add your new confidence to the language you already know and watch your English grow! LANGUAGE + CONFIDENCE = FANTASTIC ENGLISH! Practical information: The first meeting is free. We can talk about what you need and how I can help you. I charge £16 - 20 for an hour. We can talk more about the price when we meet and find what is good for you. I live in Brighton. We can meet in this area or we can have Skype lessons. Send me an email if you're interested and you want to know meet. I look forward to hearing from:)
