Greetings, at White IT Solutions and Services, we have 10 years private sector experience with all aspects of PC and IT services, experience that is yours for low-low fees. We conduct PC repairs and health checks, virus and malware removal, for a price of only £25/hr. We also offer bespoke MS-Office customisation, utilising all the development tools available in the platform. Still not impressed? we can also develop bespoke Windows applications using the latest technologies, designed to exceed your requirements. As a professional member of the British Computer Society, we know computers - what can go wrong, how to put it right and how to make computers work for.
