Hello!

This is Sunny, a 1973 (M reg) tintop, yellow all over. We've had a lot of fun with camping trips, weddings, proms, birthdays, festivals, even a mulled wine Christmas party, but he's no longer being used for camping as he should and it's time to pass him on.

Price £8000
 Swindon, Wiltshire
 Tax Exempt
 138,000 miles on the clock
 Yellow
 1.6 engine
 RHD
 MOT valid till 31 October 2016.
 Comes with drive-away awning and roof rack.

I had lot of work done in 2011 with a new engine installed October 2011 and the gearbox reconditioned. Also a lot of welding with a new front panel, along with new sills and other welding work around the bottom 12 inches.

Brakes were replaced 2014, with two new tyres, the starter motor and exhaust. New battery January

2016. Very solid van that drives really well - he's my only vehicle so gets regular use and is regularly serviced. I've got lots of spare parts, tools, and a spare engine. The bodywork is good but it does need a bit of attention. The interior is all so nice, it's passed the MOT in October 2016. The time with the bodywork work needed is a new driver's door, engine lid and tail gate could do with replacing before a respray. I've had quotes of between £2000 - £5000 to restore the bodywork and the asking price reflects that. Seats and people. It has two bench seats in the back, the front one flips so people can face backwards or forwards and the seats fold down into a double bed. Fitted with gas cooker and sink. Storage under the seats and in a cupboard in the back. The interior back panels have been recovered and replaced, and I can supply the material for the remaining front door panels. An excellent van for you to smile to suit your own personally. Contact me for more.
