Hello all Due to my parents moving house im urgently looking for the right loving home . I'm a very loving girl. But you have to earn my trust . I'm not friends with the outsiders only my familys. I'm very well trained. And I love being cuddled and stroked. I'm a loving girl ready to thrive in the right enviroment. If you feel you could give me my perfect home then please don't hesitate to contact my parents for any more information. Please no time wasters only genuine family and loving homes only many thanks;
