Delphinium Fields at Sunset Landscape Photography Workshop - June 27th

West Midlands, Worcestershire Location https://www.freeadsz.co.uk/x-250727-z

Join Alan Ranger Photography in Pershore, Worcestershire for a spectacular and unusual sight of Delphinium fields.

We will shoot into the sunset hours and capture some amazing colour - go abstract or vista, the choice is yours.

You'll have a real opportunity to be creative in this unique setting.

No prior knowledge of photography is required as each student will be taught individually, according to their level. Recognise correct lighting, contrast and texture to shape and form each shot. Learn the impact of using long exposure, shallow depth of field and other techniques. Work with Alan to review your shots, accept new ideas and improve your photography. See the website for booking details. To be kept informed about all of my classes and workshops, please sign up for my regular newsletter. www.alanranger
