Peerless - Delta - digital optical cable - BRAND NEW! 2 meters in length. Just bought from Sony Centre at a cost of £30 but does not fit my TV as it is too old! Product Description: With this cable you can connect your Blu-Ray, DVD player or AV equipment to a 5.1 Surround Sound System or Amplifier. It has been precision engineered for a wide range of surround sound AV equipment. The Exacting cable geometry delivers outstanding sound quality and clarity while the 24K gold-plated contacts give a more durable connection. The Polished high grade optical fibre is immune to external interference and it is Gunmetal-plated zinc with plastic connector. The PVC outer jacket with integral strain relief for enhanced durability along with reflective PE optical cladding ensures the precise transfer of the optical signal. Precision engineered interconnect for a wide range of surround sound AV equipment. Exacting cable geometry delivers outstanding sound quality and clarity. 24K gold-plated contacts for a more durable connection. Polished high grade optical fibre immune to external interference. PVC outer jacket for enhanced durability. £15 or nearest!
