Garden Chipper Shreader Eliet Meastro Petrol. Looks as New (749 GBP)

South East, Surrey Location https://www.freeadsz.co.uk/x-250928-z

Eliet Meastro Very light use- about 40 Hours. looks like new. A 5.5 HP petrol Briggs and Stratton engine. see the web site for all the details and a short video. I'm sad to be passing it on, but I'm moving to a smaller place. A little known make in the UK, but a great machine Dave
