Finally time to say goodbye to my RS3.....i have owned the bike since new and loved every moment!  
 Been owned/ridden by a 39yo and is totally untouched by teenage hands!  
 Been proven to be the fastest 125 currently on the market, really is a very quick 125!  
 Rieju are a motorcycle racing team that have been around as long as Honda etc, the bike uses the Yamaha YZF engine but with a carb instead of fuel injection thus making tuning 10 times easier!  
 Its been VERY well looked after and comes with several spares including...

A spare front wheel (£90)  
 Spare front brake disc (£70)  
 Spare rear shock absorber (£85)  
 Spare right hand side panel (£99)  
 And the original exhaust can.

Its a 2012, Has a DEP Sports Exhaust costing £250, just fitted a new battery, new chain, new rear brake pads and a new ramair air filter, its electric start, excellent runner, never had ANY problems with the bike.....very quick 125cc. Mot until end of July 2016.
