BeYouthful Aesthetics is clinic offering non-surgical facial treatment including wrinkle reducing treatments and dermal fillers. At BeYouthful, all lip fillers are pre-treated with LMX cream ... this is a topical local anaesthetic cream that numbs the lips before any injections start. The Juvèderm filler also has Lidocaine in it which also keeps the lips numb during the procedure. Hope this reassures anyone nervous or hesitant having this procedure carried out. The results alone will very quickly help you forget any pre nerve thoughts and you will excited about maintaining the
