The Suzuki DL650 V-Strom is a tourer, a sports bike and a commuter all handily wrapped together in one good all rounder. The DL is comfortable, fun and can be taken anywhere as the handling is good enough for fast twisty roads, the protection is ample for motorways and the riding position is perfect for urban commutes. The brakes, suspension and gearing are all excellent and the sturdy chassis makes it stable and it turns quickly. All in all it is a truly versatile motorcycle and a great all rounder. In a good condition although there is a small scuff to the nearside fairing as shown in the photographs. Cars and bikes taken in part exchange. Nationwide delivery available. E
