Honda RC30 in a lovely condition and with just 8,222 miles on the clock since new and as good a ride today as it was in the 80s™s. These motorcycles have more than withstood the test of time and remain a fantastic Superbike and are very sought after and extremely collectable. The RC30s™s have more than doubled in value over the last five years and offer a wonderful investment opportunity to own a bike which would still be the envy of any local bike meet, the value is continuing to rise year by year. This motorcycle has been kept in a private bike collection for the last seven years and has been cherished whilst living in a heated garage. The RC30 has pride of place in our showroom and is currently exhibited on a raised plinth where it attracts the attention of everyone who comes into our showroom. It will receive a comprehensive Sales Check and fresh MOT prior to delivery. Cars and bikes taken in part exchange, Low rate finance offered subject to status, Nationwide delivery available, E
