AN AMAZING 70% DISCOUNT OFF TOP RANGES OFFER BASED UPON THE BULLDOG INSULATED ROLLING RANGE RRP £2330 NOW JUST FROM £699 FREE FITTING LIMITED OFFER Remote Controlled Garage DoorsBulldogs Electric Garage Doors give you an unbeatable combination of convenience and high security for a very affordable price.The high-tech remote control allows you to open your garage doorfrom a range of up to 100 metreswhile you stay safe and comfortable in your car. When the garage door is opening and closing it does not swing outwards, which means you can drive right up to the door without the risk of hitting your car. This is especially useful for properties with shorter driveways or smaller garages.Bulldog Garage Doors are made from hard wearing durable powder coated aluminium, so unlike steel doors, they remain stress free.

* Clever design maximises available side and headroom* Automatic internal light activates when door opens * Door operated by coded remote control technology for maximum security.* CE Marking - Compliant with European safety regulations* Maintenance free and available in choice of colours* Safety edge prevents damage to children, pets and your car.* High security locking system - no need for keys* High pitch 110 decibel alarm system an option.* Made to measure to your exact specifications* Fitted by our own fully trained installers ;
