

Beautiful Handmade Pine Wedding Post Box (195 GBP)

Location **South West, Avon**

A beautiful handmade unique pine wedding post box, with a heart carved on two of the sides. This box has only been used for a couple of hours and so is in excellent condition. I have left the ribbons on for photographic purposes but you can easily decorate with your own wedding colour theme. We had lots of compliments and lovely comments about the box at our wedding. Most importantly, all your wedding cards will be safe as you need a screwdriver to remove the base of the box. It would also be handy to store all your cards and trinkets after your wedding too! If you have any questions please do not hesitate to contact us. Thank!
