outside seating can form large sun lounge

sliding opening side windows

Seperate sea toilet compartment

Below seating forms large two berth

rear swim platform with folding ladder

two padded seats for cruising

Jeanneau boats are really well built with many more extras than other manufacturers.

## Extras

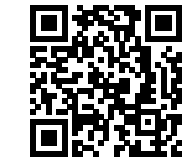

Electric Windlass with a switch inside the boat as well as by the anchor, If you dont know ....this electrically pulls up or drops down the anchor.... so being in a strong current or swell you are not

dangerously leaning over the front of the boat manually pulling up the anchor. This was an extra fitted by the original owner and I have emphasized how important it is. Unless you intend to use the boat for anything up and down the coast it is essential to have a boat of this size fitted with a windlass. Windlass Electric Windlass (newly fitted and unused) gas hob is operated using a removeable gas canister so no need to have LPG on board.

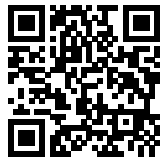

electric tap with inboard 20l water container secondary leisure battery with power management system 240 volt shore power Raymarine 180 chart plotter/fishfinder Raymarine VHF Radio
