Here we have an immaculate Kawasaki GTR 1400 fitted with Kawasakis brilliant K-TRAC system. With so few miles on the clock, the bike is only just run in. Only one registered Keeper from new. The bike is in untouched/standard condition, just as it came out the crate. This bike has Full Documented Service History and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. This bike is fitted with an Anti Lock Braking System (ABS), giving you more confidence while riding. This bike is also fitted with Combined Braking System (CBS) giving a percentage of rear brake when you use the front brake giving you more stability on corner entry. The Bike comes as standard with Traction Control which allows for better acceleration control and cornering stability giving you confidence when riding. This bike comes with selectable power modes. Meaning you can flick between different fuel maps while riding changing power delivery to suit different riding conditions. Also fitted with a centre stand to make washing and maintenance a whole lot easier. New tyres have been fitted to the bike so no need to change them for a while! Adjustable heated grips are fitted on this bike for the cold days. The bike comes with a set of lockable Hard Luggage, great for those trips away. The screen on this bike is adjustable so you can set the screen to your preferred height and comfort. A grab rail is fitted to make carrying pillion that bit easier. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket. 12V Sockets are a great way to plug in mobile phones, sat navs and other useful accessories. This bike has one fitted. Stomp Grips not only protect the tank but allow you to firmly grip the tank
