

2010 Swift Conqueror 630
Twin Axle, 4 Berth, Silver Sides, Alde Heating,
Alko ATC Trailer Control Unit
Swift's flagship caravan finished to a very high standard.
Exteriors continue to set the tone for the Conqueror offering a stylish body shell with metallic silver
sidewalls and striking graphics.
The Conqueror benefit's from moulded, full-height rear panels, one piece, thick gauge aluminium
sidewalls and new shaped windows with top down operated pleated blinds.
Upon entry to the Caravan, you have a spacious lounge to your left, incorporating soft lighting, heki
rooflight,
extendable chest table plus a large matching freestanding one if more people are dining, bolster
cushions, Tv point, 240v socket,
Concertina blinds all round even on the three front windows, led lighting throughout, PIR sensor for the
alarm system.
The upholstery is very firm and extremely comfortable.
Slightly to your right and opposite as you walk in the main door, is the extremely well equipped kitchen.
Full sized oven/grill, gas hob x3 with one electric hob with chinchilla glass top, built in microwave, gran
style sink with reich chrome mixer tap, plenty of cupboard space over and below. You also have a
Thetford 175 Litre fridge + freezer.
The bedroom is spacious and well thought out, with a Swedish orthopedic mattress, heki rooflight,

overhead storage, and the bed itself lifts on gas struts to reveal copious more storage underneath. The bathroom can be gained from the rear of the caravan by means of a compact door. The bathroom is very spacious indeed and offers the main features with the bath, toilet, a separate shower, a 1200 x 250 Electric flush toilet, vanity unit with vanity mirror and storage.
