**Motion Activated  
Security Floodlight**

MOTION ACTIVATED SECURITY FLOODLIGHTS. FOR YOUR PEACE OF MIND! We supply and install PIR (passive infra red) security lights. Prices start from £31. This price applies to the replacement of an existing outside light, and the supply and installation of one new security light (as per picture), in the same location. Product Specification: 120W. Mains powered 220-240V. Eco Halogen energy save bulb. Motion activated floodlight (PIR). Detection distance 10 meters. Adjustable detector - 24 hours or night only. Adjustable detection field. Adjustable timer - 5 seconds to 10 minutes. Metal casing. Strong, long lasting product. Recommended for exterior walls. British standards aproved. Sold at B&Q and Homebase. For more complex installations (where new wiring will be required), prices may vary, depending on the complexity of the job. We can also install other types of security lights of your choice, to a new location (subject to agreement, prices may vary). We will also inspect all your sockets, control switches and light fittings for an extra £10 only (subject to your agreement), for your peace of mind. Any other extra work will also be subject to agreement. We are based in Southampton, but we are prepared to travel further afield. We are professional, polite and friendly, and our prices are extremely reasonable and competitive. We will also produce a "no criminal record certificate" for your peace of mind. No canvassing please. Only customers may call. Thanks. ;
