We are now recruiting for February, June and September Intakes

BSc (Hons) Business Management Degree

Available on February and June 2016 Intake – Campus in Greenwich & Greenford, London

Students will focus on the principles and fundamentals of core management and be given the opportunity to define the role of managers within organisations. By year 2, students focus on using their knowledge of business management to build their skills capacity and to model the required behaviours of professional managers. In the final year, students critically analyse and evaluate the effectiveness of various models of management practice that contribute to driving organisational performance.
