

Sunny Art Centre provides Drawing and Painting Classes for all level, including Beginner, Intermediate, Advanced; Children, Teens & Adult. Evening Classes are Monday, Tuesday and Friday; with Weekend classes and Life drawing lessons. Small group Classes but each student works on each study plan and subject. Chinese Painting & Calligraphy Classes also available by established Chinese Masters. Also provide art material service, both online and in store. Booking is necessary for all lessons. Flexible booking We don't have any specific start day. Our courses are flexible, once you sign up for a course with us, you can choose any day you prefer that is scheduled for that class level. Teaching variety of techniques Our art classes are designed for anyone who wants to develop and improve their drawing and painting skills. We cover techniques such as portraiture, landscape drawing, oil painting and acrylic painting. Teachers have strong art background All of our tutors have graduated from world leading art colleges such as China Academy of Art, Central Saint Martins College of Art, Chelsea College of Art and have over 6 years of experience, they have strong academic background and our teachers exhibit their work internationally and in the UK, and have appeared in various publications and programs, including those of the BBC. Individually tailored advice We are the only studio in London that the teachers will demonstrate step by step painting and drawing techniques. This allows the students to improve fast. Small group We limit the size of our classes, and each class only holds 8 to 10 students. This allows our teachers to work closely with each student and provide guidance individually. Each student will be focusing on subjects that are suitable for their skill level and interest. You can learn variety of the mediums We teach a variety of the mediums, such as oil painting, watercolour, Acrylic, Charcoal, etc. Shared sessions When you sign up for a block of courses, these can be shared with family and

 <p>friends. You can also use it to book other courses, including life drawing classes and the special weekend workshops. We also specialise in workshops that allow our students to have the opportunity to create beautiful outdoor art in the process of their dance class or teacher. We also organise events where participants can enjoy events related to the stories. We hold potteries, master parties, and collaborations. To get registered, there are no fees for these events. There is no charge. Some work will be exhibited in the galleries or our website. We also arrange annual exhibitions in London central galleries for our students. During these exhibitions, we will have an opening night inviting friends, quests, media, and private collectors. We will also promote our students' work at our online gallery. Artistic studio in a central London location. Our studio is located centrally and conveniently right next to an underground tube station. We have created a relaxing environment for our students. We have relaxing music, excellent natural light in the studio while surrounded by plants and other students' and the teachers inspiring artworks.
