I have pure Endler and Endler-Guppy mixed females available. They are around 2-3cm long and about 3 months old. Some of the females can be seen in the last 2 pictures. Their brothers and fathers can be seen in the first 3 pictures and in the video. Sorry, males have all been sold now. They are 1 pound each, payment on collection. ---Please let me know about how many females you would like, so I can reserve them for you!--- And don't forget to bring a container to carry them in, like a clean jar, or a plastic fish bag. You can choose the guppies you want yourself, but it's first come first serve, I'm afraid! Please email!
