The "Right Ceiling For You" invite to cooperate architects, interior designers, building companies, landlords, investment companies and exhibitions.

Our company is engaged in the installation and maintenance of stretch ceilings.

The advantages of stretch ceilings are:

- speedy installation without interrupting business (no mess or dirty);
- once installed, no further repairs are required;
- no more dust on the surface of ceiling;
- stretch ceilings can hold a large amount of water if flooding happen;
- no cracks;
- all the defects on the original ceiling hidden in one step;
- smooth and flat surface, stretch ceiling looks like a solid ceiling;
- easy to clean;
- waterproof, damp proof, fire resistant according to EU standards;
- heat-saving effect;
- can be easily removed and replaced;
- different colors (bright or pastel)
- different texture (gloss, matt, satin, translucent);

- PVC stretch ceiling can hide the plumbing and ventilation pipes and ducts.

- We can install a variety of lights, air conditioning / alarm system and other devices.

- We can construct one level or multiple levels.

- We can create the most extravagant.

Just imagine! Starry sky, mirror gloss surface, your favourite image and translucent ceiling. This is not a complete list of work that our company can create.

Our prices will delight you. You will obtain a good reputation, expand your knowledge, attract new clients and of course, will get a ceiling in unique style.
