

## Full carbon road bike under 6kg (2,950 GBP)

Location

South East, East Sussex

<https://www.freeadsz.co.uk/x-253102-z>

The Bike is brand new, made to order with the highest quality frame and components. The bike was built for lightness. This bike has full sram red groupset 50/34 (bb30) and 11-28 rear cassette. The wheels are full carbon with visible carbon weave to match the glossy weave frame, the wheels weigh 1250g for the set, suited with the schwalbe one tyres. It also comes with full carbon handlebars and a specialised seat. There is one lightweight front brake and no bar tape. The frame is a medium. This bike is very stiff and responsive, great for racing, hill climbs or just a leisure ride. If your interested please ring 01424 774183 ()
