This is a genuine No Fear, medium size raincoat/rain jacket with a hood which has never been worn. It has no rips or tears and all zips work well. It has a Shell outer layer (Nylon/Polyester) and a polyester lining. Perfect for the warmer, rainy Spring days. It was bought for my older teenage son who outgrew it before he wore it even once! It has his handwritten name on the inner "No Fear" washing label but no other marks at all. If you don't like the label, you can always cut it off. Thanks for looking and please ask if you have any.
