

http://www.canaryelectronics.com/index.php?id_product=71&controller=product&id_lang=1 The Samsung UE55JU6510 Smart Ultra HD 4k 55" Curved LED TV provides fantastic picture quality with a curved screen that draws you into the action.

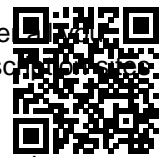

Captivating curved Ultra HD 4k

Featuring an incredibly detailed Ultra HD 4k LED screen that delivers the finest detail and makes colours come alive in your home, the Samsung UE55JU6510 is as good as it gets.

Experience beautifully sharp images with captivating clarity that puts you closer to the action in all your favourite films and programmes. Whether you're watching 4k content or wanting to upscale high definition media, Samsung's innovative UHD upscaling technology makes light work of it, transforming Full HD content and making it up to four times more detailed.

Images appear naturally vibrant with Samsung PurColour and deliver brighter, richer, more natural and true-to-life tones. The 1100 PQI rating is ideal for fans of fast paced sports such as football or racing, as well as passionate gamers.

Smart TV and Freeview HD

Connect the 55JU6510 to the web using either the built-in WiFi or Ethernet port to access a full range of live world-class TV services and catch-up TV. The 55JU6510 also offers a free 1-year trial of you up to 100GB, and you'll also be able to stream TV movies and more than 100 subscription services like Netflix and Amazon Prime Instant Video.

The Brief on TV feature wakes up your TV when your alarm goes off, displaying all the information you need for the day, including news, weather and your schedule.

The quad-core processor makes it a breeze to multitask on your television, letting you enjoy live TV side by side with your apps and online services.

Thanks to the Freeview HD tuner, you will also be able to enjoy a range of channels, including specialis

sides without a monthly subscription – perfect for a family with a diverse taste in programmes.

Multi-Link screen

With Multi-Link screen you can enjoy two different channels at the same time with no compromises.

Watch live TV and use the other screen to tweet about it, browse the web or watch content from another source. You'll be able to adjust both screen sizes so you can see more of what you want.

On TV

With the On TV feature, your TV suggests programmes based on what you've already watched, searching schedules, on demand programmes and apps. It also allows you to speak to your TV using the remote - simply tell your TV to find the programmes you like.
