SMART FORTWO 1.0 84BHP WITH HEATED SEATS, 2009 Smart Fortwo for sale., We have only had this car a little over a year, but a new baby forces sell., This is the 84bhp version, in the desirable white colour. This car is very nippy and fun to drive, whilst also being economical. This model comes with the panoramic sun roof, heated leather seats and the option of driving in full automatic mode or using the tiptronic gear shift. It only costs £30 a year to tax and is cheap on fuel as well as insurance. The boot is deceptively large for a smart car, as seen in the pictures., The rear driver's side wing does have some minor scuff marks, however this panel can be replaced for less than £75 if required. However, we never felt the need to do so., This really is a lovely little car and it sounds great! We have set the price fairly low due to needing the car gone ASAP., 2 owners, Next MOT due 01/07/2016, Part service history, Electric windows, Air conditioning, CD player, Leather trim, Heated seats, Alloy wheels, Central locking. 2 seats.,
