

Vauxhall Corsa 1.4 SXI 2007 (2,395 GBP)

Location

South East, Surrey<https://www.freeadsz.co.uk/x-253812-z>

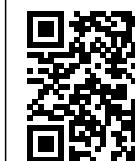

this fine example of the vauxhall corsa is a nice easy smooth drive and is in very good condition. This benifits from having only 2 owners, with the first having used this car as a mobility car so it has been well looked after. A full service history with one due now. The MOT is until april 27th 2016. All round car is in a very good condition and people who see this car and drive it will struggle to find fault. I am available for viewings so please contact me if you would like any more info or would like a test drive.;
