Location

South West, Isle Of Wight

<https://www.freeadsz.co.uk/x-254068-z>

Psrtuning specialise in ecu remapping, advanced diagnostics and repairs on all petrol and diesel engine management systems. We also carry out all other mechanical work and are completely mobile meaning we can come to you at a convenient place and time! We cover all of Hampshire and can travel further if required. We specialise in diagnosing and repairing faults which others may struggle to find or understand, we use the latest dealer level equipment and can potentially save you hundred's of pounds being able to diagnose the fault right the first time! We do not charge a call out fee and our rates are very competitive. All work comes with a 12 month parts and labour warranty where applicable. Psrtuning are also an approved dealer for Quantum tuning, one of Europe's largest ecu remapping specialists, we can carry out performance and economy upgrades on most vehicles. Call or text today for a!
