## Guinea Pig hutch, garden run, and 3 female Guinea pigs, plus 15 worth of food, beddi

South East, West Sussex Location https://www.freeadsz.co.uk/x-254158-z

Reluctant sale: Guinea pig hutch with 3 female Guinea pigs, 2 long haired who are 10 months old, and 1 Abyssinian who is 6 months. Hutch is in good condition as can be seen in the photos, and it has pull out drawers for easy cleaning. The substantial lid/roof also opens making catching them easy, and was recovered with heavy felt to make it completely water tight! Also included is a well made wired run with a lift off lid, plus all the accessories we have, 2 igloos, tube, toys, brushes etc. There is also over £15 worth of food, bedding, wood chippings, etc, included. May split, but prefer not to, and could possibly deliver it.
