So after years of sitting still, the Palace in Aldershot's £1,000,000 refurb will put The Palace back on the map as one of biggest and best music venues in Surrey & Hampshire.

This unique venue combines stunning visuals, sound, lighting and production to give a truly electric atmosphere.

We have teamed up with some fantastic people to put on this huge event! With KISS100's Charlie Hedges headlining along with 5 more DJs across two rooms and one VERY special guest!

Influencing a weekly audience of 5.6 million listeners as co-presenter on the Sony Award-winning Kiss FM breakfast show, Charlie Hedges' insatiable thirst for music impressively takes in every hour of the waking day, through morning, noon and night. Aside from the breakfast show, Charlie Hedges is better known as a world-class DJ, one who plays to thousands of discerning clubbers across the world at parties like Sundance Festival, alongside Carl Cox at Space and at Amsterdam's Gashoulder. She regularly plays at the likes of Electric Brixton, the Ministry of Sound and Pacha, where she had a residency.
