Here we have a great example of a Honda ST1300 that has only done 19478 miles from new by its two former keepers. The bike is smooth, comfortable, fast, powerful and well-built. The ST1300 Pan European should be near the top of anyone's list whether they're in the market for a mile-munching tourer or a classy commuter. Plenty of storage space for touring with the colour coded hard case top box and panniers. Fitted with heated grips, a blessing on those cold days. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. Also fitted with a centre stand to make washing and maintenance a whole lot easier. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 for more info or pop in and view at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
