Here we have an excellent Yamaha XJ6N. With so few miles on the clock, the bike is only just run in. The bike is in untouched/standard condition, just as it came out the crate. This bike has Full Documented Service History and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. The paintwork has a few small stone chips but you really have to be looking for them to notice. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. This bike is suitable to be ridden on the A2 license. This would make a excellent commuter bike. A Top Box is also fitted to this bike, very useful for commuting to work or carrying your waterproofs in case the rain comes. Fitted with a fly screen for that extra bit of wind protection and style. A grab rail is fitted to make carrying pillion that bit easier. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock.

*NOTE: Alarms can be fitted to any bike at an additional**
