A very reliable 2001 Golf estate, diesel , if you need a workhorse car that will take you anywhere at over 50 miles per gallon, you can't beat a golf. this car regularly takes me all over the country without a problem, lots of service history. Black in colour with electric windows, remote locking, great air con, mot May 2016 . £900 worth of work including full service, breaks, tyres, etc. about 8 months ago 160,000 miles . Few scratches on the bodywork otherwise solid. already bought another car so no part exchanges thanks.;
