 Little Blue - The Web Design Company At Little Blue, we have a passion for preparing stunning websites that are perfectly suited to your business. We involve you every step of the way and make sure that you are satisfied with the results. We'll discuss your budget, how you want the site to look, what pages you want and what content you would like to display. We take the time to get to know you and your business, ensuring that when your site is launched, it'll blow the competition away! Of course, we'll be here to steer you in the right direction and to help you make the right choices for your site. At Little Blue, we value your commitment and will always be here to help, whether you need a quick content update, or an urgent change to reflect a new business opportunity.

WEBSITE FEATURES: 24/7 HOSTING

Your website will be up and running 24 hours a day, 7 days a week. No 'crashes' or 'freezes', ever. And that's a promise. **SEO FRIENDLY**

Your website will be designed in a manner which is friendly to all popular search engines. Your site will naturally move up the search engine hit lists as it is accessed by more and more of your customers, as it will contain relevant, concise information which is used by the search engines to assess whether the website is worthy of its high ranking status. **BESPOKE & BEAUTIFULLY DESIGNED**

Your website design will be unique and tailored exactly to the needs of you or your business. Your input will be highly valued and we'll keep in touch every step of the way. **SEARCH ENGINE SUBMISSION**

Your website will be submitted to the major search engines like Google and Bing to ensure that it is

noticed quickly and can be indexed on their search engines. **FULLY RESPONSIVE**

Your website will be designed to look great on any PC, laptop, tablet or mobile phone. **ENABLED**
