

Stonham Barns Sunday Car Boot is back on March 6th 2016 from 8am

Location **East of England, Suffolk**

We are back on March 6th 2016 and with any luck will have a lot more hardground so we can guarantee the Car Boot will be able to run every week without moving. We have Events starting straight away and the first is on March 20th with the International Modified South of England Show. Make sure you check the Events page as they come thick and fast after that. If the weather's good Stonham is a great place to sell & you won't find a friendlier Car Boot and such a friendly buying crowd plus there are always great bargains as we are renowned for our one off novice sellers. We are also on the Coastal Route & in Summer have the Campsite and Holiday Homes full up and filled with Car Boot lovers and so many visitors to the Attractions and shops. We have moved sides at Stonham so we have more room for sellers with no width restrictions. If the sun comes out Stonham Barns Sunday Car Boot is so popular. Remember, you can just turn up and sell from £5. Covered Stalls (£10) can be booked on 07817539168 (these come with a table). Bookings are held till 9am. When the events are on please note that you can still sell at the Car Boot from £5! and we are next to where all the buyers and visitors to Stonham park. Also, if it rains we have the covered stalls so, we always try and open. Something I will add, which I think is important, is the fact that you can sell without the fear of things being stolen or being pestered whilst setting up. I hear that this is a problem at so many Car Boots but, we have a friendly Traditional Car Boot which attracts all ages and a great atmosphere. Everyone is welcome to sell at the Car Boot but we have a slight restriction whereby we don't allow Vans full of flowers. We allow small vans/cars selling plants grown from home but, they will need to be part of a variety of things sold. Anyone selling old gardening tools etc is fine. Call me if unsure. It's just common sense you just need to bring a variety rather than a van full of just flowers. Stonham Barns Car Boot is still the one to go to if
