We are Frome Care Village located on the outskirts of Frome. We are both an residential and dementia friendly home with 60 beds with plenty of bed vacancies to fill. Our care home is situated in two buildings; Woodlands and Parsonage. Parsonage has just become a more dementia friendly home with brightly colored hallways, nurseries and sensory rooms to fulfill the needs of the people who are suffering with dementia and pubs and outdoor areas for all. We are a very friendly and highly experienced team aiming to make people's stay with us enjoyable and as fulfilling as possible giving people their own space to be independent and at all times respecting their dignity and showing them the care every individual deserves. We have lots to offer; excellent accommodation, lovely home-cooked food and all the help you may need to make your life here pleasant and comfortable whether that be a temporary or permanent fixture. If anyone has any queries or would like to know more then please don't hesitate to call or email or find us on our facebook and twitter pages: facebook; <http://www.facebook.com/FromeCareVillage> twitter; <https://twitter.com>
