Welcome.

We are a Southampton based small family run business established early 2012 we have had the same close-knit team ever since, we have built a very good reputation for our company and enjoy our challenging line of work. We never subcontract our work out to other companies so you can rely on us and know who you are talking to.

Removals Service, collection/delivery service and same day courier, UK & Europe.

We provide a fair and good value for money service (scroll down on the page and read our feedback) which includes a wealth of experience moving just about anything and everything. Customer satisfaction is our priority so Your possessions are placed in your room of choice and Between us we have the experience and knowledge to:

Assemble/disassemble furniture, disconnect/reconnect certain white goods, we have special tools that are required to move american fridge freezers and if necessary we will remove the doors of the unit (these services need to be agreed before you accept our bid or you will incur extra charges)

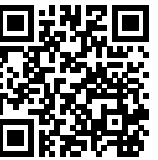

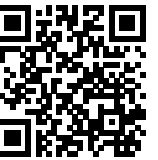

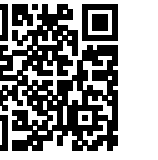

Our reliable fleet of vehicles include High roof long wheel base Mercedes Sprinter vans provided with blankets, sack trolley, removal trolley dolly, metal vehicle ramps (provided on request) tools and ratchet straps for securing loads. Our vans are always clean and dry.

Please note that if a full inventory list is provided and we have to make more trips no extra charge will incur.

Comercial customers or regular Work welcome.

Goods in transit cover £ 20000.

CRB/DBS/criminal record checked.
 Our van is not subject to any charge
