Video : <https://youtu.be/nXyoypS03Co> Beautiful litter - you wont find better. oh my god, these pups have blown us away. These pups have the potential to beat most standard coloured dogs in the show ring and also benefit from rare coloured DNA. blue ,chocolate and tan points. So every pup can produce LILAC. DID YOU KNOW TO GET LILAC BOTH PARENTS NEED THE BLUE GENE (d) AND THE CHOCOLATE GENE (b) AND ALL THESE PUPPIES HAVE IT AND JUST LOOK AT THE QUALITY OF THEM..

We have some truly amazing KC REGISTERED ENGLISH BULLDOG pups, 5 in the litter. If you know my reputation and personality? I dont get excited about too much.. Of the hundreds and hundreds of english bulldog pups we have sold? I have only ever seen pups like these in standard crufts winning kennels.

These are game changers.

Our Reggie's is the Sire (REZAVOIRE'S PRINCE SPEARS) ALL DOUBLE DILUTE (BLUE FAWN dd & ALL CARRY CHOCOLATE Bb) and CARRY TAN POINTS (ayat)

Full blue fawns - with chocolate carrying genes and tan point carrying genes they are ready for your LILAC PROGRAM to begin .. these are the ones you've been waiting for...The dam? She is even better than Reggie.

Pure English Bulldog pups of the highest order.

ALL LILAC PRODUCERS.....HAVE YOU BEEN LOOKING FOR AGES? TRUST ME AND MY REPUTATION WHEN I SAY,,,
