For sale my beloved clio 1.2. Had it as a first car but now selling as I have a diesel due to long commute. Has had a new head gasket and timing belt, 4 new tyres and wheels, new break pads front and rear. New lowering springs. New headlight units as these tend to fog up on the clios. Been fully serviced by a trained technician. Ideal little first car, easy to drive. Still have all parts to take the car back to standard. Any questions please contact me. Will be a shame to see the car go.;
